Message From Renee Williams Chief Rescue Officer

Please join **To The Rescue** for one or all of our fall activities. Fall is such a busy time of the year, leading into the holidays.

I sincerely hope that you can join To The Rescue for one of our events. We will be attending the Parker Business Expo, please come by our booth and say hello. This event will be held at the Wild Life Experience and will be joined with The Taste of Parker.

We will also be hosting a Breakfast with Santa, December 17th, at the Warhorse Restaurant.

Happy Thanksgiving,
I hope your holiday is abundant with joy and happiness.

To The Rescue Adult Group Program

is growing and making strides to expand in several positive directions.

Our new Program Manager Cathy and her staff are preparing to bring several innovative and new projects to our consumers. They are in the midst of working on a variety of volunteer programs that will help our consumers with social skills, with an emphasis on day-to-day living skills. We are very excited to volunteer with "Meals on Wheels" and "Parker Food Bank".

These volunteer programs will also aid our communities throughout the metro area. We are always in search of new charities and vocational programs that could aid our consumers.

Please contact Cathy or Susan M to suggest an organization or for more information 720-851-2100.
