MARCH 2010

## Exciting March Events

When was the last time you actually read our calendar? We've got a ton of great activities and trips planned every month, and March is no exception. Participants are really enjoying our excursions to the Wildlife Experience. We get to check out the exhibits, learn about animals, and see various habitats, all for free! It's good to be a member.

On Fridays, we often spend our time volunteering at the food bank. At the Parker Food Bank, we work

together as a team to sort foods and box up supplies for those in need. Those that help out enjoy knowing that their efforts go to support people less fortunate than themselves.

This month, we've got some great arts and crafts projects planned. If you can, we've made a list of some things that we would prefer for you to bring in on the listed days. If you have extra of an item, that's fine too! There will always be people that forget something. These items will help our craft projects to be successful and fun.

## Items Needed

We are changing our ways a bit, and asking for help from you to donate items that we can use at our day facility for arts & crafts, cooking, or just something we need. If you are able, we would appreciate any help you can give. Please let us know if you have any questions.

- Blender
- Glue
- Egg Cartons
- Toilet Paper or Paper Towel Rolls
- Clothing dye (for tie-dye shirts)
- Prizes for Bingo (small stuff)

Food for people that forget or lose their lunch, such as peanut butter, jelly, bread, microwave macaroni & cheese

Thanks for your help!

## GOLF ITEMS STILL FOR SALE:

- ◆ If you know anyone who wants a large putting green area, or a large indoor/outdoor golf range net system, please send them our way! The sooner we sell these items the more money we get to use on our programs. If interested, please call Jenny at the To The Rescue Office.
